Dear Tara,

I would just like to thank you and Colin for your efforts in providing our engraved wine boxes for our clients.

The products arrived on time, as described and as promised. Not always an easy feat considering we ordered 120 of them!

I was very pleased with the quality of the product and the feedback from our clients has been excellent.

I have already referred a business associate to you as he was impressed with the wine box and is now keen to use your products in his business promotions. Hopefully you will hear from him in due course.

We will certainly use your products again when the opportunity arises.

Yours faithfully

Macquarie Business Accountants Pty Ltd
