Dear Tara,

Thank you for all your help with our wine box order that we placed with you. When I received your sample in the post I was most impressed. Your range of giftware is very unique and our logo presented beautifully so I didn't hesitate to place an order.

I have dealt with a lot of corporate giftware companies and it was an absolute pleasure dealing with you. With the 600 boxes we ordered I expected there to be a longer waiting time but to have them arrive in just a couple of weeks was fantastic.

We had been looking to buy a gift for our top clients and the boxes we ordered from you were perfect for presenting a fine wine which we also included for our clients. We have received a lot of positive feedback from our clients who really appreciated such a stunning gift.

Thanks again for everything and I will certainly recommend you to anyone who may be in the market for impressive giftware.

Kind regards,
