Dear Tara,

Just a quick note to say thank you for your assistance with ordering our bottle opener gift set.

Your company was very efficient and extremely pleasant to deal with.

The product looks very professional and having our own logo engraved is a great branding tool for us.

We have had positive feedback from clients who have received this as part of our client gifts.

We found the price to be very competitive and value for money for the product which was supplied.

We will definitely use Tarcoll again in the future and would recommend them to any potential client.

Regards
